DECCAN SUGAR TECHNOLOGISTS' ASSOCIATION (INDIA)

organizes one day seminar on

“JUICE CLARIFICATION”

On Saturday, 28th September 2024 from 10 am to 6.00 pm at D.S.T.A. Auditorium

We cordially invite for the Seminar

Why this Seminar :-

Quality of sugar and feed stock for ethanol depends on efficient clarification of juice. Classic double sulfitation, Carbonation, Phospho-floatation, Single sulfitation etc. technique and latest technologies including clarifier design will be discussed during the seminar. This seminar will give various alternatives for juice clarification for improved quality of sugar & molasses.

DSTA is organizing a one day seminar to discuss on Juice Clarification. We request to pre book the date for this important seminar

Discussion : Presentations of expert Hon. Shri. A. A. Zende, technology providers & experiences of sugar factories will be discussed.

- There is No Registration Fee for the seminar.
- However, delegates legitimately concerned with this subject, should register their names.
- Prior online registration is must on www.dstaevents.in
